

## **KAESTLE BOOS ASSOCIATES TO CONDUCT GRANBY POLICE AND FIRE STUDY**

**New Britain, Connecticut, May 14, 2007** – Kaestle Boos Associates, one of New England’s most experienced architectural firms specializing in public safety facilities, has been selected by the town of Granby, Massachusetts to perform a needs assessment for both the town’s police and fire departments. The firm will also evaluate potential sites for a new public safety facility.

“We anticipate starting the study in May and expect to complete our report by late summer,” says David King, Vice President of Kaestle Boos Associates. “Our firm will be working with Mitchell Associates Architects, who will assist with the needs assessment and programming for the fire department.”

Kaestle Boos Associates, Inc., is one of New England’s most experienced architectural design firms with offices in New Britain, Connecticut, Foxboro, Massachusetts, and Portsmouth, New Hampshire. The firm specializes in educational, public safety, theater arts, parks and recreation and other public architecture. Founded in 1963, the firm’s ultimate goal is to create structures that are functional, aesthetically pleasing, environmentally sound, and economically justifiable.
